

Mission:

To address the need for safe, structured and quality programs for families and their children.

Vision:

To work in collaboration and partnerships with the Stamford Public Schools and community agencies to provide school-based direct service, recreational, educational, enrichment and cultural activities for families of the City of Stamford.

History:

ROSCCO is a proud member of the not-for-profit community serving Stamford families since 1975. Originally housed at Rogers School and supported by the City of Stamford Community Development Fund, ROSCCO has evolved into a city-wide partnership between the community, the Stamford Public Schools and many local not-for profit agencies. Today, while continuing its' role as an integral partner in Rogers International School, ROSCCO administers a city-wide network with program sites in fifteen of Stamford's schools.

ROSCCO serves over 2,000 families by offering a variety of programs for all age groups from infancy through adults. Parents, educators, and community representative volunteers make up the ROSCCO Board of Directors.

ROSCCO is a recognized leader in the After School Field maintaining a focus on school age/school-based programming and the need for safe, quality, structured and affordable programs for families and their children.

Annual Report

July 1, 2019 to June 30, 2020

Board President's Message

As Chairman of Roscco's Board of Directors, I am pleased to report that ROSCCO is celebrating its 46th year of being a leader in the before and after school field in the Stamford community. Since its inception in 1975, ROSCCO has maintained a focus on licensed school age/school-based programming that have enhanced the lives of countless children and families within our community.

ROSCCO, working in partnership with many community agencies, has received recognition from:

- The Yale Bush Center of Child Development for the implementation of the Family Resource Center Program at the International School at Rogers Magnet. The school has been selected as a national demonstration site for Schools of the 21st Century for the 1996-1998 and 1999-2001, 2001-2003 school years.
- The National Center for Community Education selected the ROSCCO/Rogers Magnet School Partnership as an exemplary Community School for 1996-1998, 1998-2000 school years.
- The Rogers School Community Center Organization Inc. was featured in "Altered Destinies" A National Study of School Based Community Programs.
- The ROSCCO Programs have been featured in a number of video documentaries.
- ROSCCO serves over 1,500 families providing activities which bring together people of diverse ethnic, racial, and social-economic backgrounds in a manner that offers participants a sense of accomplishments and pride in their heritage.
- ROSCCO follows the guidelines set forth in the Americans with Disabilities Act and provides equal access to all children.

While we understand that economic times continue to be difficult for many, ROSCCO still must rely upon the generosity of its donors (past, present and future) along with parent fees and grants to support our never-ending mission. You can help support our critical work by making a financial donation today.

Your efforts and passion for our mission truly make a difference, thank you in advance for your support.

Laura Ferris

Executive Director's Message

I have had the pleasure of working with ROSCCO for 30 years and honored to be the Executive Director today.

ROSCCO has a strong reputation in the Stamford public school community as an outstanding provider of school-based before and after school programs that are affordable and available to all. ROSCCO strives to work in collaboration and partnerships with the Stamford Public Schools and community agencies to provide school-based direct service, recreational, educational, enrichment and cultural activities for families of the City of Stamford.

Despite the difficult year ROSCCO persists and anticipates a rebound for all. We are extraordinarily grateful for the opportunity to continue to provide services to our families.

Sheila Glenn

Treasurer's Report

ROSCCO's financial condition has remained stable while weathering the pandemic thanks to the support of state grants, PPP grants, friends and community partners. This support has enabled ROSCCO to continue programs and services, consistent to our mission, as tuition has not been enough to cover expenses.

Revenues for the fiscal year 2018-2019 total \$2,400,315. Expenses totaled \$2,508,554 for the same period. ROSCCO's total assets \$425,927. ROSCCO is dependent on grants such as these to be able to continue to support the parents of our community by providing safe and affordable care for their children during this most stressful time.
